

★ "I wish to go to meet the Disney Princesses"
Alexandria, age 4

Four-year-old Alexandria from Chaska, Minn. is one determined princess. She doesn't let chemotherapy and leukemia stop her from doing all the fun things little girls love like playing with her dolls, having tea parties or watching her favorite Disney movies.

Since Alex loves princesses, she thought that meeting the Disney Princesses would be the best thing ever. Her wish came true when the Make-A-Wish Foundation® of Minnesota sent her and her family on a trip to Walt Disney World® Resort in Florida, where she could meet her favorite Disney princess characters. Alex was very happy she got to meet the princesses at the magic place where princess live. It was a time she was able to get away and simply live the magic and be the little princess herself!

Alex's wish to meet the Disney Princesses was spectacular due to support from the Walt Disney World® Resort and the Walt Disney Company.
